VACANCY ANNOUNCEMENT

REGISTERED NURSE II

FETAL ASSESSMENT CENTER

Position Information

ValleyCare is seeking a highly qualified individual to fill the position of Registered Nurse II to provide nursing care in the Fetal Assessment/Prenatal Diagnosis Center.

The Registered Nurse II working in Fetal Assessment must be able to:

- Independently assess, plan, implement and evaluate patient care as part of the interdisciplinary team by performing and interpreting fetal monitoring strips and Limited Ultrasound procedures to determine fetal well-being
- Provide Childbirth classes to both the English and Spanish population
- Work with patients and staff during and after a fetal demise.
- Provide Perinatal grievance classes to staff.
- Assist with prenatal diagnosis procedures
- Assume the role of preceptor, mentor, and lead other nursing and non-nursing staff, demonstrating effective leadership style.
- Will participate in organization-wide committees and projects.

Responsibilities also include, but are not limited to:

- Independently render nursing care to high risk antepartum patients
- Perform antenatal tests including NST, CST, and Limited Ultrasounds

This position will report to the Charge Nurse or Nurse Manager

Essential Qualifications:

- A current and valid License to practice as a Registered Nurse issued by the California Board of Registered Nursing
- Current and reachable on the RN II certification list or currently on the RN II item
- Three (3) years of recent experience as a registered nurse in Labor and Delivery
- Advanced Fetal Monitoring training
- Able to recognize abnormal fetal heart rate patterns and know how to perform in an acute adverse fetal event
- Perform work with integrity while demonstrating respect, empathy and regard for patients, visitors and co-workers to ensure a professional and courteous environment
- Serve as a professional role model and effective resource person for others
- Assume accountability for leadership of the unit/shift when needed

Desirable Skills

- Team Player
- Self-motivated
- Strong verbal and written communication skills
- Strong clinical background with strong organizational skills and ability to prioritize
- Ability to work with various levels of staff to coordinate patient care.
- Experience with performing Limited Ultrasounds is a plus
- Being a Certified Childbirth Educator is a plus
- Being a Certified Bereavement Counselor is a plus

Interested applicants should submit their resumes, their last two performance evaluations, and time record for the last year to:
